Thanks Leslye,

We're also sending in a few docs for the FOIA on SEMD side. Most of them include investigation on impacts to the public wells.

I wasn't sure if you folks were still working on a corrective action there, I'll send copies of these docs to Mary Grisolano as FYI.

Manny, FYI I assigned this FOIA to Fatima last week and she sent a Record Center RCRA file list to Mike to sent to the Requester, not sure if that has occurred yet.

Thanks.

Good Morning Mary,

I wanted to follow up with you regarding the Electrolux FOIA that came in last week. If you have a sec later this week or next let me know and I'll send out an invite.

Thanks! - MS
